

OLGA KONSTANTINOVA GRAPHIC DESIGNER & FRONT-END DEVELOPER

info / about me

I'm Olga Konstantinova, graphic designer and front-end developer. I'm branding typography and design lover. Passionate about diving, rubik's cube and yoga. Based in Brussels. Believing in genuine design I work to find creative solutions that ignite change, improve quality of life, and foster enduring relationships between brands and their clients. Let's build something together.
